

Thyme (White), Essential Oil

VEGAN

CRUELTY-FREE

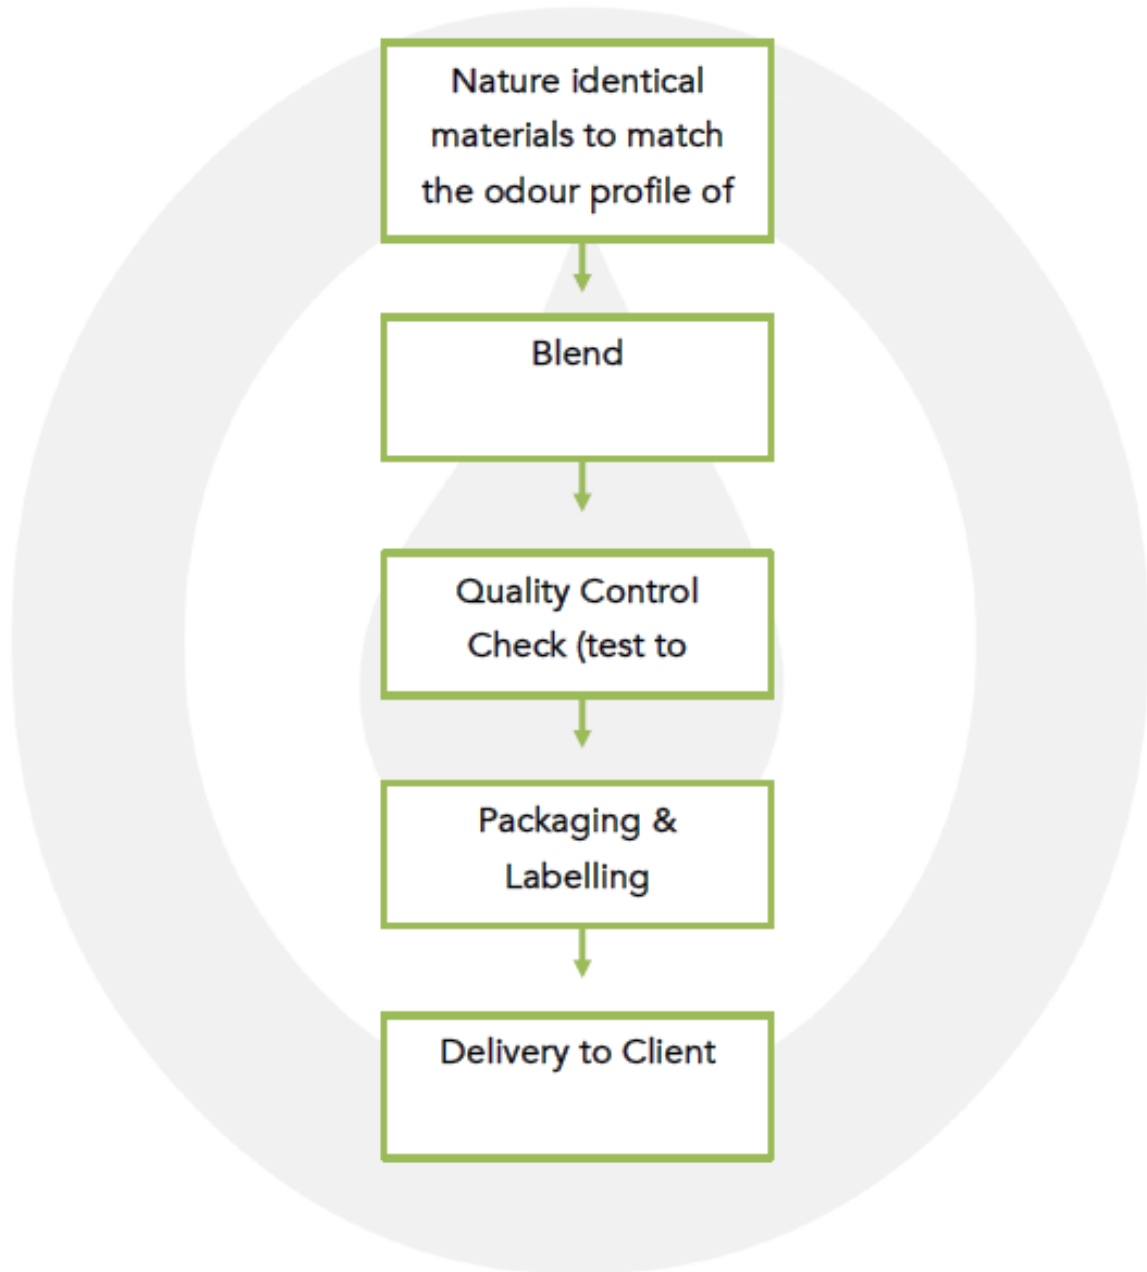

White thyme essential oil is derived from the leaves and flowers of the white thyme plant (*Thymus vulgaris*). We offer a variety of Thyme oils so have a scan of our range. Thyme White, Essential Oil is a natural grade oil with a clear, pale, yellow oil with a fresh, mild scent. Thyme Oil is commonly used in Aromatherapy/massage, hair products & skin care. It aids in preventing hair loss when added into shampoos but also considered a 'toning' oil when applied to skin care formulations. It is widely used in acne treatments to control and prevent acne breakouts. Finally, we like to apply it to insect repellants to prevent bites from insects & mosquitoes. This is the most popular commercial grade we offer, however if you would like a different grade, please do ask.

Product code K0463	INCI Listing Thymus Vulgaris Leaf Oil
Manufacturing Method n / a	CAS Number 84929-51-1
Origin Spain	EINCS 284-535-7
Scent Herbal, Spicy	Customs Tariff Code 3302909000
Colour Clear, Light Yellow
